

Your LibDem councillors and candidates work for you all year round, not just at election time.

Councillors and volunteers write and deliver Focus newsletters throughout the year to keep you up to date on local issues and actions we have taken in Council.

On our local website weybridgelibdems.org.uk, you will find longer articles giving more details on what we are promoting and supporting in Elmbridge.

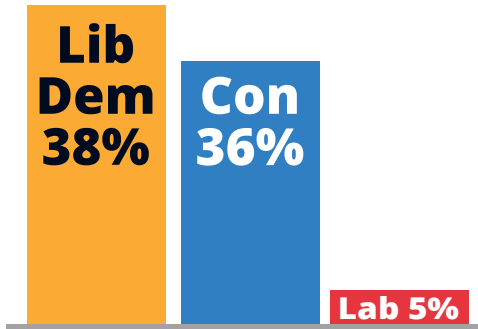

We also meet with local residents on the first Sunday of every month from 11.00 - 12.00 at Café Enzo in Baker Street to hear concerns and to discuss national issues.

LibDems win here!

Across Elmbridge last May, more people voted for the Lib Dems than the Conservatives.

ASHLEY TILLING & THE LIB DEM TEAM:

A record of delivery for Elmbridge

Ashley Tilling and the local Lib Dem team are your community champions - the team you can trust to stand up for you and get things done for Elmbridge

Last May, LibDems gained 4 additional seats on Elmbridge Borough Council to hold 13 in total. Help us do the same this year - back the local LibDem team in the local elections on Thursday 4th May

We have a proven record of delivering for local communities, from fighting to protect the Green Belt from the Conservatives'

top-down housing targets, to delivering vital services to residents during the cost of living crisis.

On Thursday 4th May, your vote can make a **real** difference!

We are proud of what we have achieved for Elmbridge so far but we want to do more. And having more LibDem councillors will help us do that.

Don't forget your ID

If you're planning to vote in person at these elections, you must remember to bring an **approved** photo-ID or a Voter Authority Certificate to the polling station. Full details are on the Elmbridge Borough Council website.

OUR ACTION IN *Weybridge*

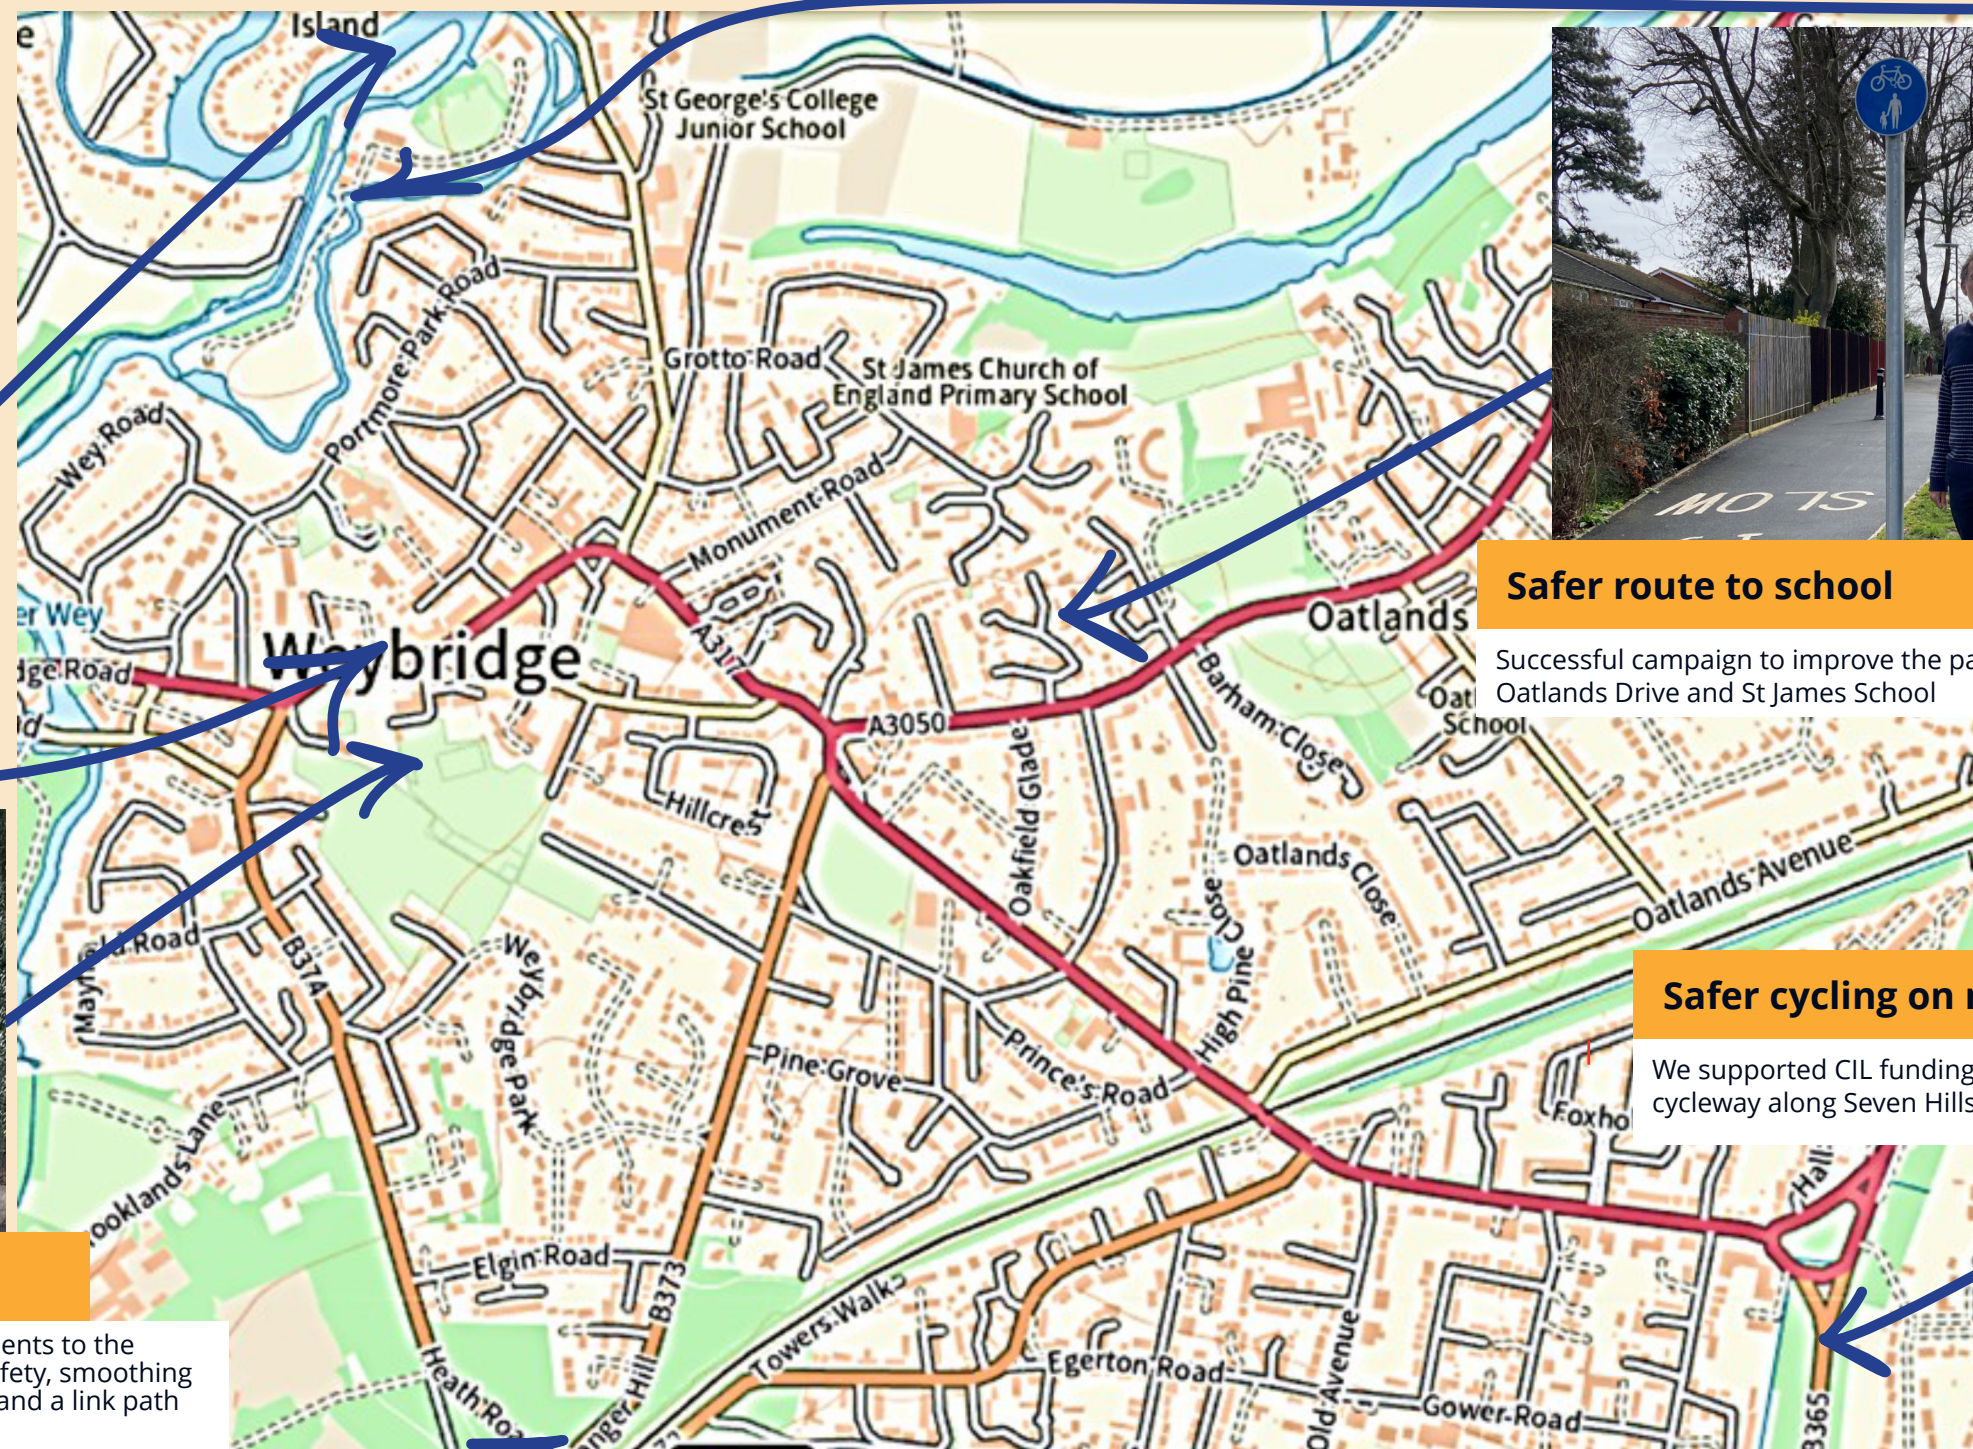

Weybridge Hospital rebuild

We continue to work with SCC to improve our town centre: reviewing plans for the hospital site and Library rebuild, and supporting the development of Weybridge Hall as a theatre.

Campaign for clean rivers

We continue to pursue the Environment Agency to meet their obligation in relation to sewage discharge.

Safer route to school

Successful campaign to improve the path between Oatlands Drive and St James School

Improved water safety measures

LibDem councillors have championed improved water safety. Elmbridge is leading the way in Surrey with its 'Respect the Water: Drowning Prevention Plan'

Promoting recycling

Introduced collection point for food and drink carton, and take-away coffee cups in Station car park. (These cannot go into our household recycling bins.)

Improving town paths

Successfully initiated major improvements to the paths: lighting for better night-time safety, smoothing out two dangerous right-angle bends and a link path through to the car park.

Safer cycling on major road

We supported CIL funding to create a safe cycleway along Seven Hills Road.
